.67 I ſhould enter into particulars; and I could only repeat what has been already related by various hiſtorians and travellers better informed upon the ſubject than myſelf.

I ought however to add, that the property of the Kamtſchadales devolves, of courſe, upon their deceaſe, to the next heir, or to whomſoever it is bequeathed. The will of the teſtator is equally reſpected, and as literally adhered to, as it could be with thoſe nations of Europe who are moſt ſcrupulous on the ſubject of ſucceſſions.

586 Divorces are neither practiſed or allowed
